Bill, Jennifer, Bo

- Please look at these labels for 3282-OI and -OO and give me any comments by Thursday. If there are any issues, we could meet again to discuss them.
- I guess that we will aim to get them registered by next Wed, Jan 27, which would meet their needs of having an approval by the end of the month.
- The other 2 products (3282-OA and -OT) are due 2/3/2010, the following Wed. I will remind RB.

Thank You,

Daniel B. Peacock, Biologist

Dan –

Please replace the Reckitt Benckiser labels that I send on Friday with these versions. There are a couple extra pictograms on these ones to support some of the claims.
